Description:

a soft cream rich in nourishing anti-aging and renewing ingredients.

Directions:

apply on face and neck in the morning and in the evening with firm, gentle, upward massage strokes.

Skin:

all skin types over 25 years of age, mature skins with lines.

Action:

the natural vegetable acids extracted by fruit (alpha-hydroxy acids) are considered the most effective tool to fight wrinkles and skin aging. They act directly on the deepest biological processes of the organs (dermis and epidermis) favouring the removal of dead cells and new cells generation. They slow down skin aging and significantly reduce appearance of fine lines and wrinkles. Glycolic acid, the most effective alpha-hydroxy acid extracted from sugar cane, purifies and levigates the skin. Anti-Age Cream contains also the three essential vitamins for skin cell regeneration and for a deep atioxidating action: Vitamin A, Vitamin E and Vitamin C.

Contains:

organic aloe vera juice 80%; fruit acids, phyto-squalane, organic chamomile extract, organic oenothera and jojoba oils; Vitamin A-E-C-F, essential oils, lecithin.

Free Of:

mineral oils, PEG, Parabens, colours, silicones.
